Megara: *Excellent! Something I heard about that, and yes, it takes time to design clothes, but also, seeing it in a the positive way, you can create your own clothing.*

Echantress: *Yes, you're right, the truth is that when I like something, I do it only for me and my wife, I have not much time to design clothes lol.*

Because as I mentioned before, it takes a long time and I prefer enjoy better sharing good times with my wife.

Megara: *That's very nice of you, wanting to spend more time with your partner, I can imagine that you must have much time that not design clothes, I bet you have forgotten a bit lol*

Echantress: *Yes!, when I open Photoshop honestly I do not know where to go lol.*

Echantress: *I found it very good idea, I participated in the previous betting, but in that time I didn't have much luck :D. I think The system seems very balanced and right.*

Megara: *Well even though you didn't win in the previous betting game, you still decided to try again and this time you proved to be the winner.*

Echantress: *I sincerely believe that the purpose of these games is to participate and have fun, but if you are doing this and you're winning is much better.*

Megara: *I agree with you.*

9) What was your reason or motivation for wanting to participate in football betting?

Echantress: *If I told you win is doesn't a motivation, I'd lie to you, because I think everyone motivates us winning something, but as I like football I did for fun and have a good time to be aware of the results.*

Echantress: *Yes :D.*

Echantress: *I felt a lot of emotion! I remember that day, I had the feeling that I had won because I was sure no one had bet on that outcome.*

My joy was much bigger, when the results were released of the football match I was in Portugal with my family for holidays and we all celebrate it together.

Megara: *What a joy! I'm glad that you were in Portugal, I imagine that you and your family celebrated together this award.*

Echantress: *Yes, that day passed many good things, I was a bit nervous and then i was restarting the page, for the football betting game many times to see the results to see if i was the winner and it was indeed that I was the winner, it gave me so much joy.*

Megara: *I imagine the joy you felt as you had so many reasons to celebrate.*

Echantress: *Lol ok this I have to think very well :D*

A place: *The Mediterranean Sea.*

New York City (I love that place, I am very urban style).

A phrase: *"They say I'm a normal girl, with little quirks that make despair, who doesn't know where's good or evil, where is my place, and this is who I am, frightened and determined, an endangered species, so real like life".*

This is a phrase of a song I like and identifies me very well.

Echantress:

Virtue: *Be friend with my friends, I am loyal to my partner and my principles.*
